If more trains come thru it would just be awful for our community! I live a mile down from the tracks located on LAKE Zurich Road. The noise right now for the few trains is awful. Any more trains would make it impossible to enjoy our now somewhat quiet neighborhood. It would lower our property values since no one would want to live in my neighborhood with so much noise.

More trains would also just "shut down" the Village. Traffic would be so bad. It is bad enough, school buses would have to start out earlier and so would everyone else. The traffic would be grid lock.

Please do not add more trains. We moved to this town, Barrington, for the quiet, country feel. We do not want to feel and be forced to live in a big city.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.

YOUR INPUT IS IMPORTANT!
